

# I'm Mrs. Rezba

Welcome to the 2020-2021 School year! Please be sure to sign up for Google Classroom using the code below. Please check Google Classroom daily for announcements and assignments. If you need to reach me you can email me, message me via remind, or send a message on Google Classroom. We will have our first Google Meet on Thursday to meet one another. I strongly encourage you to make this meeting and have your video on if at all possible. I understand it isn't always feasible and seems awkward at times - but for our first meeting it will help to put a face to the name. Once you have signed up, please share this flyer with your parent so they can sign up below.

## **PARENTS:**

Your child has received a folder today with a handful of important materials please review the following:

- Syllabus - outlines grading policies, what digital resources will be used
- Policy & Procedure Letter - outlines the rules that our course has to follow as a dual credit course
- Pacing Guide - I've included the pacing guide for first semester to help you and your student know what will be expected.
