

Randy Lehnus Memorial Scholarships

In the Fall of 2011, Randy Lehnus was tragically killed in a construction accident. As a 2002 graduate of Herscher High School, Randy proudly represented HHS in many ways. He was a member of the basketball and football teams. Randy was also involved in marching band, and he loved playing in the pep band. One must look hard to find a more dedicated worker or a truer friend.

Multiple scholarships are awarded to graduating seniors at Herscher High School each year in Randy's memory.

Students apply through the Community Foundation of Kankakee River Scholarship Portal.
